Shall an ordinance of the Township Committee of the Township of Montague entitled "Bond ordinance providing an appropriation of \$2,175,000 for construction of a Firehouse, community center, and emergency shelter for and by the Township of Montague in the County of Sussex, New Jersey, and authorizing the issuance of \$1,984,000 bonds or notes of the Township for financing part of the appropriation" adopted on December 26, 2017, be ratified?

**INTERPRETIVE STATEMENT**

In December 2017 the Montague Township governing body passed the Ordinance quoted above, which approved taking a loan to partially finance the construction of a new building on municipal property to house a firehouse and community center. The community center portion of the building will also serve as an emergency shelter. Passage of the Ordinance was challenged requiring the question of the indebtedness be put to a vote at the next general election. "Ratified" means "approved." Voting "yes" means you approve the municipality's action to build the firehouse and community center and to issue a bond as stated in the Ordinance to finance the work. Voting "no" means you disapprove of the Township taking on the debt described in the Ordinance to construct the firehouse and community center.

STATEWIDE QUESTION

SECURING OUR CHILDREN'S FUTURE BOND ACT

Do you approve the "Securing Our Children's Future Bond Act"? This bond act authorizes the State to issue bonds in the aggregate principal amount of \$500 million. The money from the sale of the bonds would be used to provide grants to schools, school districts, county vocational school districts, and county colleges. Money from the grants would be used to build, equip, and expand facilities to increase career and technical education program capacity. Money would also be used for school security upgrades and school district water infrastructure improvement projects.

INTERPRETIVE STATEMENT

This act would allow the State to borrow a total principal amount of \$500 million. This money would be used to provide grants to county vocational school districts and county colleges to construct and equip buildings to increase capacity in career and technical education programs. The money would also be used to provide grants for school security projects at kindergarten through grade 12 schools. The money would also be used to provide grants for school district water infrastructure improvement projects. Three hundred fifty million dollars would support county vocational school district projects and school security projects. Fifty million dollars would support county college projects. VERNON TOWNSHIP PUBLIC QUESTION

Shall Vernon Township modify Township ordinance #00-16, which currently limits the spending of funds collected for the Township Open Space Trust Fund, which had a balance of approximately \$972,012.92 as of July 17, 2018, to allow no more than thirty percent (30%) of the Township Open Space Trust Fund to be used for the maintenance of Township owned open space; creation and maintenance of public pathways for hiking, biking and horseback riding trails; creation of amenities such as public gardens, disc golf and bike pump track(s); and the preservation and maintenance of cultural sites?

SAMPLE BALLOT CANNOT BE VOTED

INTERPRETIVE STATEMENT

If passed by the voters, this referendum would authorize the Vernon Township Council to modify the current purposes of the Township Open Space Trust Fund ("Fund") to allow for no more than thirty percent (30%) of the Fund to be used for the creation and maintenance of trails and bikeways, such as trailheads, trails, boardwalks, bridges, park kiosks, road crossings, signage, and other improvements needed to develop a trail system. This proposal would also allow the Fund to be used to maintain Township owned open space, create amenities such as public gardens, disc golf and bike pump track, and the preservation and maintenance of cultural sites. The current authorized uses of the Fund shall continue to be for the acquisition of open space and farmland, but up to thirty percent (30%) of the Fund balance would be authorized for outdoor recreation, property maintenance, and the preservation and maintenance of cultural sites. A "Yes" vote will not impose an Open Space tax levy, but will authorize the use of the existing funds for the purposes stated above. Eligible projects will be determined by the Township Council on a case-by-case basis.
